Presented February, 2001 of the
15th Annual Geneva Aircraft Finance and Commercial Adation Forum l. eitereft 2 regional 3 X SYSTEMS 4 regionaliel 18 Whilst Bombardier and Embraer garge themselves at the 50 seater banquet and Fa nibbles away at the 30 seater sidetable you could be forgiven for forgetting that the else out there in the regional jet market. 5. company 6 years 7. Ayro 8. letest I'm not talking about the 70 seater desserts that these manufacturers are tooking fo enjoying later or their 90 seater digestifs to follow. Nor arm I thinking of Boeing or Al their pretensions to 100 seaters. I am certainly not thinking of Aliance Aircraft and grandiose family of paper planes, surely an exemple, if one were needed, that hubri-build planes. 9. work 10. great 11. production
